

OPERATIONS SAAS / HYDERABAD

WellSpring Desk

Bring more order to the clinic front desk.

FICTIONAL FOUNDERS

Tara Nair & Ishaan Reddy

Pre-seed concept · Illustrative proposal · 11 September 2026

FUNDING ASK

₹1.25 crore

PRE-MONEY VALUATION

₹10 crore

The idea, in context

01 THE PROBLEM

Independent clinics coordinate appointments and administrative tasks across disconnected systems.

03 TARGET CUSTOMER

Independent outpatient clinics evaluating front-desk workflows.

02 THE PROPOSED SOLUTION

A clinic administration workspace for scheduling and non-clinical handoffs.

04 BUSINESS MODEL

Illustrative per-clinic subscription. No medical outcomes or regulatory approvals are claimed.

Funding & the questions to test

ILLUSTRATIVE USE OF FUNDS

50% workflow product

30% clinic research

20% privacy and security

No real customers, traction, revenue, partnerships or returns are claimed. All figures exist solely to demonstrate the product interface.

SYNTHETIC REVIEW NOTES

Demo reviewer A · 3/5

The administrative scope is clearly bounded. Which workflow would staff adopt without adding duplicate work?

Demo reviewer B · 4/5

The target customer and use case are specific. How will privacy, access controls and migration effort be evaluated?
